

# Just to let you know...

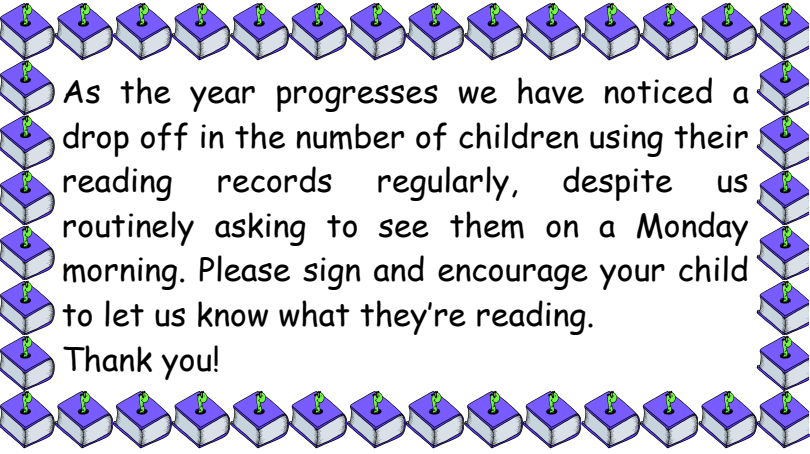

*'The internet is a gift and curse for teenagers'-J.K.Rowling*

The children have been discussing the above quote in relation to social media, phones and the internet. They will be presenting their viewpoint to the class next week.

**Spellings:**

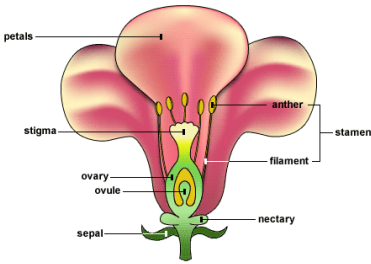

- |          |          |
|----------|----------|
| deceive  | conceit  |
| conceive | receive  |
| perceive | ceiling  |
| deceit   | receipt  |
| protein  | caffeine |
| Seize    |          |

All children have been given a spelling book for them to record spellings in. This can be used both in school and at home to help with learning those tricky words!

As the year progresses we have noticed a drop off in the number of children using their reading records regularly, despite us routinely asking to see them on a Monday morning. Please sign and encourage your child to let us know what they're reading.

Thank you!

Dear Parents,  
The homework this week is another mental maths test, spellings and comprehension questions.

These are due in on Monday.  
Have a great week!

Best wishes,  
Cheryl, Sarah, Mary , Clare and  
Helen

The children are captivated by this term's story book (Wonder by R.J.Palacio). We are STILL looking for two or three fathers (and mothers!!!) to read this at home and then be prepared to come in and discuss it with the children. Please contact us if you are interested.

The children who wish to be considered for the Spanish school trip (May 19th-23rd) have all written a piece about why they should be selected. These will be put in a hat and names pulled out next week.

We have ten children from the Spanish school coming to spend a week with us in March (24th-28th).

Thank you for those families who have already offered to have a child that week, we still need some more!

Please email Helen at:  
[helenp@holytrinity.surrey.sch.uk](mailto:helenp@holytrinity.surrey.sch.uk) if you can help.
