

Just to let you know

Spellings

When you learn these try to visualise them as you write. Are there any tricks to help you?

deceive, conceive,
receive, perceive,
ceiling, neither,
protein, caffeine,
seize, weird, their,
height, foreign,
vein, weigh, eight,
neighbour .

Don't forget
three of your
own spellings
too.

Dear Parents,

Thank you for your support with the 'Baffling Bodies' projects; they seem to be coming on well. They are due in by February 8th.

Your children are working hard at school and showing resilience with their learning however we are concerned about the use of reading journals. Please ensure you check and sign this each week.

Best wishes,
Helen, Tom and Mary

In maths, we have been looking at area and perimeter. Ask your children to do some practical maths at home eg; area of the kitchen with and without the kitchen appliances or area and perimeter of the garden.

Can they tell you how to find the area of a triangle?

This week, as you know, we have spent our time learning about human reproduction, puberty, relationships, marriage and growing up!

The children have impressed us with their thoughtful questions, respectful listening and mature attitude. We hope that you have also enjoyed chatting with your child as the week has gone by.

If you've found it tricky to talk to your child about sex and relationships, there are some great tips here:

<http://www.aboutkidshealth.ca/En/HealthAZ/FamilyandPeerRelations/Sexuality/Pages/Sex-Education-for-Children-8-Tips-for-Parents.aspx>

Please could you continue to sign in your children's diary when they've read three times in the week.
