Maths

We have been looking at problem solving and how to tackle tricky questions.

Homework

There is a 'lock' problem to solve. Each sheet contains 3 questions; children can have a go at as many as they would like.

English and Topic

The children have learnt about the Egyptian creation story. They studied the features and have drawn out a storyboard for their own creation story.

In SPAG this week we have investigated words with silent letters and looked at some of the compulsory spellings. Spellings are:

yacht

vehicle

twelfth

stomach

nuisance

frequently

existence

controversy

Children know if they are to learn: 5 of these, all of these or all of these plus two bonus words.

Spelling test will be every Wednesday.

MATHS... A heads up! Next week in Maths, we'll be looking at time and timetables. If you want to get a head start, take a look here: http://www.bbc.co.uk/bitesize/ks2/maths/shape_space/time/read/1/
