

JTLYK RECEPTION

Friday 20th January 2017

Wednesday 1st February at 2.15 pm

The children would like to share their first few weeks of learning with you! They have learned a few little songs and would like you to see some of their work so that they can tell you all about it. Do come if you can. We will spend some time in the classrooms and then take you up to the hall for a little snack that the children are planning.

We can then enjoy the songs together!

Food Bank Contributions

As part of our food topic we are going to learn about food banks and would like the children to bring in one item of non perishable food from your shopping in the next week. Frances and Sheena will then deliver the Reception contributions.

Phonics

This week we have learned **sh**, **ch** and **ng**. They are now in the back of the jtlyk books

Dear Parents

Thank you to our lovely parents who were able to come with us to Guildford Market this morning. The children were very focussed on their shopping tasks. As you will have guessed our food topic is proving very popular!

The children made scones on Monday and very much enjoyed the chit chat with their friends as they cut them in half (the scones that is!) and spread them with strawberry jam - delicious!

We will be making vegetable soup with our provisions on Monday and writing a shared prayer to thank God for our food. We will also be talking about what it feels like to be hungry and introducing the Food Bank initiative. The children will be asked to bring in one item for our local food bank over the next week so that Frances and Sheena can take a Reception contribution.

In maths this week we have continued to use money in our role play areas and learned to make 3p and 10p in different ways. We are also learning about the number 12: how to count up to, how to write it correctly and to count that many objects from a larger amount. At home why not ask your child to count out 12 pasta shapes from a large bag?

Have a happy weekend

The Reception Team :))
