

JUST TO LET YOU KNOW

CURRICULUM NEWS

Maths

Leading on from our work with multiplication last week, we have been focusing on division in maths. The children have been looking at a variety of written methods to use with slightly larger numbers.

Literacy

This week we have continued work on the children's newspaper reports, and they have been working hard on editing and improving their copies.

As usual the children have been reading aloud, discussing their preferences for books and they have been involved in book reviews in their classes. We do appreciate all the reading that takes place at home.

Year 3 have been working incredibly hard getting their topic books up to date and finished. We hope to be able to show you many of these on the open afternoon.

Reminders and Notices

Thursday 9th and Friday 10th July—The transition days for the new YR2 children. Your children will be based in the Chapel and YR6 classrooms. Please come to school as normal on these days.

Monday 13th July—It is an open afternoon and you are all welcome to see what the children have been doing this term. They will be singing and dancing in the Chapel as they did at the WWII Tea Party.
