

JTLYK RECEPTION

Friday 14th July 2016

Reading Books

Today we have sent home the last reading books before the summer hols and will collect them all in on Monday. Please check behind the sofa, under the bed and in the car for any stray books that might be at home and return them on Monday too - thank you!

Please use the Library in town or swap books with friends to provide your child with a rich variety of books to read with you over the holiday.

Key Words

We have stuck in new Key Words into the JTLYK books and would like to suggest that when you have time, that you help your child learn these very useful words. They will give a brilliant start to their learning in Year One!

Dear Parents

We are so proud of how our children took part in the sports day! Everyone entered into the spirit of friendly competition, doing their best and showing great pride in their achievements. Thank you to all of the parents who were able to join us and helping support everyone taking part.

Children had their second 'move up' day this week and really enjoyed their morning as Year One children! You will have received your child's end of year report yesterday. We do hope that you enjoy reading all about their year in Reception (hasn't it gone quickly?!).

If you would like to come in to talk about your home country as part of our International Week, please let Sheena or Frances know when on Monday (morning or afternoon) or Tuesday morning you are available.

Have a safe and happy weekend.

Reception Team :))
