### Curriculum

This week we watched the last episode of 'How we used to Live', which was all about the aftermath of the 'Second World War' and the changing attitudes as a result of it. The children have gained a really good grasp of what life was like on the Home Front. The planning of an evacuee diary entry will be part of our English this week. We will use extracts from real evacuee's diaries and refer to Anne Frank as a source and inspiration. The children have been involved in quizzes and little revision sessions in maths and have continued to work on using protractors to measure angles.

All classes have been looking at simple circuits and how to draw these.
