

Just to let you know...

The children's adventure stories are looking fantastic and we are enjoying reading their drafts. We've been so impressed with how much effort they've put in! They have been sent home with the children to edit and write up in neat. After half term, we will be preparing the scene and shooting the animation for a part of their adventure story.

Dear Parents,
We had a lovely time on Friday—celebrating the jubilee and the children looked fantastic, dressed in their 60s clothes. They looked at music, art, fashion and history as part of this day. In the week after half term, the whole school is taking part in our Comenius European Project; Year 5 will be studying Italy on Wednesday and will be learning a little of the language, customs and geography. If you are free on Wednesday, do come and join us!
Have a lovely half term.
Best wishes
Bec, Mary, Henry

In maths this week, we conducted a survey of the businesses in Guildford High Street (many thanks for all your help!). The children will be presenting their results in a variety of ways including graphs and charts. This will allow us all to analyse how Guildford shopping centre is used.
