

# Just to let you know...

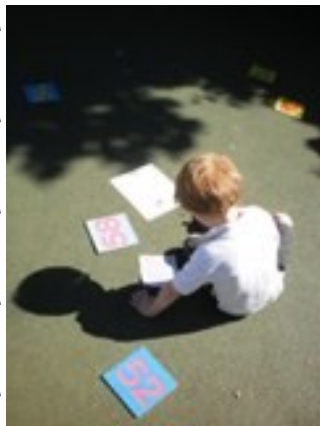

Year 1 7.6.13

Dear parents,  
Thank you for sending the children to school in such fabulous pirate costumes on Monday. We had a great day and it was a fab start to our new topic.

Love Hannah, Emily, Misha and Sam x

## Maths

This week we have been getting back to basics with our number work. We have been practising fast recognition of number bonds to 10 and to 20. We have been reading numbers to 100 and finding 10 more and 10 less. Try writing numbers to 100 on pieces of paper and asking someone to hide them in your garden. How quickly can you find them and shout out 10 more or 10 less. An extra challenge might be shouting 11 or 9 more or less. Happy number hunting.

## Plea for help!

We would be really grateful if you could send your child to school with a small empty plastic bottle. We need 1 for each child in the year group and only have a few so far. If you have any spares, please send them in too.

A special thank you for all your best wishes and generosity for my wedding. It was a wonderful day and everything was perfect. I will try to sneak some photos onto the website so keep an eye out.  
Thanks, Love Hannah x

Date for your diary:  
**Year One Trip to Painshill Park**  
**19th June**  
Please return your letters as soon as possible. Thank you!
