

# CURRICULUM NEWS

## Maths

As part of our World War Two project we have been looking at rationing and answering word problems based on a families weekly allowance. We have also looked at rounding numbers to the nearest 10 and 100. Does your child remember the rule?

## English

We have been looking at poetry this week. The children looked at pictures of London taken after the blitz and came up with some really heartfelt and interesting poems based on them. The teachers were all weeping!

# Just to let you know

## Topic

We had such a great day making bunting with the children. They loved spending the day on it and the end results are fantastic. A big thank you to all of you who came and helped.
