

# Just to let you know...

The children have now discovered that their applications to take part in the Great Expedition around the British Empire have been successful! They have been assigned a region group to work with and have been making exciting plans for their imaginary trek. Depending on their specialist interests (missionary/ naturalist/ inventor/ scientist), each member of the team will be making artefacts, maps, models and inventions to display at our end of term exhibition. This will be held on Monday the 21st July 2.30 onwards.

## COSTUMES

***At the exhibition on Monday 21st July, we would like all the children to be wearing a Victorian Costume that reflects their specialist role —please start making plans now!***

The children spent this Tuesday afternoon taking part in Surrey County Council's Junior Citizen Programme at Dapdune Wharf Guildford. They considered fire safety, stranger danger, first aid, water safety, antisocial behaviour, cyber bullying and litter.

Please discuss all these issues at home with your child.

## Dates for your Diary.

26, 27 & 30 June **INSET + Midsummer Holiday**  
3rd July District Sports  
4th July Summer Fair  
11th July Trinity Trek. Pick up from Bentley Copse 8.30pm — no overnight stay!

We are trying to communicate more using twitter. If you have access to it, please follow us :@HTPDSchool

Dear Parents,

At last the sunny weather has arrived; please remember to talk to your children about sensible sun behaviour and send them in with sun protection cream, hats and water bottles.

Don't forget school will be closed on the following days:

Thursday 26th June-INSET

Friday 27th July-INSET

Monday 30th July-Midsummer holiday

Best wishes,

Cheryl, Mary, Sarah, Anna and Helen

## What have we been up to?

**English:** As a continuation of our study of Victorian literature the children enjoyed reading Lewis Carroll's poem "Jabberwocky" and are creating their own versions complete with illustrations in the style of John Tenniel.

**Maths:** In maths this week the children began a project planning for an expedition to the interior of the region to which they have been sent. The children have worked in teams calculating the costs and trying to save money...all in Victorian currency!
