

### **Wow! What a week!**

We are pleased to let you know that your hard working children have now finished their 'special tasks'. We will now be concentrating on our dinosaur museum and can't wait to share our ideas with you at home!

Friday 6th June 2014

### **I'm Bored Box!**

Why not have a go at making your own dinosaur models out of clay, plasticine, play dough or even bread / biscuit dough ?  
Find pictures on the internet and make your models as realistic as possible!

### **Healthy Living Week**

The children will need to come in **PE kit and trainers every day next week.**  
Please could you send in any food magazines or pictures of food for us to use. Many thanks!

### **Things to Remember**

#### **Swim Kit**

If your child has borrowed swim kit from school please could you return it as soon as possible as we have completely run out of towels!

#### **Water Bottles**

Please make sure your child has a named water bottle in school every day from now on.

#### **Wellies for Wild Place .....**

..... (or trainers) are needed in school, named and in a named bag on pegs at all times please.

#### **School uniform**

Just a quick reminder that children should not wear jewellery to school and that **navy joggers/shorts** for PE and HTPD (or plain navy) jumpers/ cardigans are the school uniform.
