

JUST TO LET YOU KNOW.....

Maths

This week we have been busy revising strategies for addition and subtraction, identifying and ordering fractions and reminding ourselves about place value. We really want to make sure the children are secure with their understanding before they move into Y4.

English

In English the children used recipes as a starting point for their writing focusing on imperatives and organisational devices. They looked at a variety of wartime recipes before making beetroot pudding, potato shortbread and bread pudding, which they all had a taste of!

Art

The children have been very busy designing and making their own bunting for the Year Three Tea Party. If you have any buttons, etc., we would love to have them for our appliqué work.

Year Three Sleepover

There are a few medical forms outstanding for our Year Three Sleepover. Please return these as soon as possible to enable us to collate all of the information prior to the sleepover. If your child needs medication (including inhalers and epi-pens) , please ensure it is named and in a sealed, named container.

WW2 Tea Party

The children have been busy rehearsing for our Tea Party on Friday 12th July at 2pm. Please send 'evacuee costumes' into school w/c 8th July, in a named bag.

Places of worship visit

We had a lovely time exploring St Mary's church, Guildford Baptist Church, Abbots Hospital Chapel, Holy Trinity Church and Christ Church on Friday. A big thank you to Brian, a peripatetic music teacher, who played the organ at Christ Church—a very memorable experience!
