Victorian Apprenticeships

This week the children met four Victorian characters who are all part of the 'The Guild of Master Crafts People'. They were looking for keen apprentices to take under their wing. The characters included Norma Needlepoint (who specialises in needlework and haberdashery), Thadeus Clawhammer (who is a master carpenter), Betty Berry (a gifted baker) and Cameron Obscura (a photographer with a keen eye). After listening to the qualities required to be an apprentice, the children wrote letters of application. Ask your child which apprenticeship they will be completing next week!

Junior Citizens – Monday 8th July

On Monday 8th July, we will be taking part in a 'Junior Citizens' event at the Guildford fire station. Junior Citizens is a multi-agency scheme including Surrey Fire and Rescue, Surrey Police and other safety agencies. Each event comprises a number of interactive sets where the Year 6 children learn about personal safety. Unfortunately they cannot take the whole year group in one session. Please see below to see which session your child will be in (all children will need a packed lunch):

6JW: 9:30-11:45am – the children will need to be in school on time in order to walk down to the fire station. The children will have their lunch at Stoke Pak before walking back to school.

6JJ and 6T: 12:30-2:45pm – please note that we are asking for the children to be picked up from the lido car park at 2:55pm as we will be too late for normal school pick up if we walk back.
