

# Just to let You Know

## Maths

The children have been working hard to make number sequences and learning to count in 2's, 5's, and 10's.

Next week we are learning all about time, recognising o'clock and half past. Ask your child what happens at o'clock and half past times in your house? What time does your favourite programme start and how long does it last?

## Sound of The Week

This is 'ay' as in say, play, away. We will also revise 'ai' and 'a-e'.

## Cooking Money

Please don't forget to bring in your cookery money.

This week we have enjoyed looking for signs of spring in the outdoor area. See if your child can show you some signs of spring in your garden. Today we made some delicious 'fruit flapjacks'. We hope you enjoy eating them!

## The Gingerbread Man

Next week we will be talking about this traditional tale. We will be acting out the story as well as making puppets to share the story with our friends. We are learning to write the beginning, middle and end of a story.

## Parent Consultations

Thank you for coming to meet and talk with us. We very much enjoyed seeing you all again.

## Wild Place

We will be going on a phonic hunt on Monday.
