

Just to let you know...

Sound of the week

Look out for this week's challenge in your child's sound of the week book!

Parent's Evening...

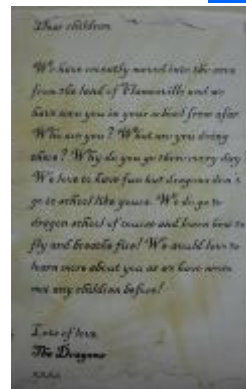

We are looking forward to seeing you next week. If you haven't made an appointment yet, please pop in and arrange one with us.

Year One
1.3.13

Maths focus

This week we have been revising number patterns by counting in 1s, 2s, 5s, 10s and even 100s! We had a go at counting backwards in 1s and other steps and also practised counting in steps of 2 or 3 from odd numbers.

How high can you count up in steps of 2, 3, 4 or more from various numbers?

Dear parents,

It's a brand new half term and we are so excited about our new topic called 'Meet the Dragons'! This week we had a very exciting discovery that a Dragon family have moved in nearby! We found burnt wood, jewels, dragon scales and even dragon hair! We also found a letter from the Dragons asking us lots of questions, and we wrote a reply to them. We also found out that they have an email address!

thedragons@live.co.uk

They have said that they love getting emails, so why not let your child show you their typing skills and write them an email together! We are very lucky to have a trainee teacher working with us. Alice will be working with the children until Easter!

Love Hannah, Emily, Misha and Sam
