

Just to let you know...

Spelling lists have been given out and should be stuck into home school books. The spelling rule this week is looking at words with letter strings of 'ough', 'our' and 'igh'. Words are: weight, height, fright, enough, cough, thought, brought, neighbour, rumour, flavour. There will be a little test on Monday.

Group reading will be on Next Thursday at 9.00am but there will be none on the final week of term due to the church service

The Earth Summit has dominated our English and topic sessions this week. Our children have been busy using various sources to research their specialist subjects. They have looked at the features of formal letter writing and have sent letters and emails to various companies to find more information. Why not take your child to the library this weekend, to see what else they can find out. The children have shown real enthusiasm for their specialist area and have loved researching to find out more; they are looking forward to presenting their findings to you.

Earth Summit Exhibition Evening
Thursday 21st March 6.00 – 7.00pm.

In the Year 5 classrooms.

Please come & support the children for our summit.

We had fun, raising money for Comic Relief on Friday and the children looked fantastic dressed as film characters. Thank you for all your support, keep an eye on the website for details of how much we raised. Next week is FLUFFY on Friday 22nd March, please remember to bring in your £1.00 Please look at the website of details of: Easter Hop, Easter garden competition and Easter church service, all happening over the next two weeks. Many thanks, Bec, Henry and Alison

We finished off our 'Owl Who Was Afraid of the Dark' chapters and in Art, the children have made owl hand puppets from socks and felt. We took them down to Pewley and enjoyed reading the stories to the Year 2s.

Maths: Henry's class have been looking at probability (5R and 5A will be doing this next week). The other two classes have been revising shape and space knowledge as well as protractor use and co ordinates to solve a murder mystery challenge, when the children became detectives this week. Ask your child about what they got up to!
