

# Just to let you know...

## Don't forget:

We hope you have a very happy and peaceful Easter break and look forward to seeing you back in the summer term! Don't forget that our next topic will be 'The Great Exhibition Expedition' all about the Victorians.

- Please remember we are back in school on Monday 15th ready to launch our new topic! Any reading over Easter about the Victorians will be really useful!
- During the first two weeks back we will be giving the children the opportunity to practise all the SATS papers that they will be taking later in the term.

## English

The children have been writing up their poems and prayers after a thought-provoking trip to Wintershall Stations of the Cross.

## Useful websites

If you fancy topping up your Maths and English skills over Easter, here are some useful and fun websites:

- [www.bbc.co.uk/schools/ks2bitesize/](http://www.bbc.co.uk/schools/ks2bitesize/)
- [www.icteachers.co.uk/children/children\\_sats.htm](http://www.icteachers.co.uk/children/children_sats.htm)
- mymaths (login: pewley, password: squared)
- [www.mathletics.co.uk](http://www.mathletics.co.uk)

## Maths

This week we tackled number sequences (especially including negative numbers) and tried to explain the patterns. We also had fun solving number riddles. Try some at home: "I think of a number, multiply it by 3, subtract 2 and end up at 148. What was my number?"

Next term the timetable alters slightly with games moving to a Monday afternoon. Please make sure your child has their PE kit in school on the first day back!
