

Topic fun

We have spent the week flying to Africa and back! We have explored the different countries, looking at what the landscape is like and the kinds of animals that live there. We have been listening to stories from different parts of Africa and thinking about what makes a really great story.

Maths Corner

Talk about what these words mean....

Double Half Multiple Times Sets of Share.

I am thinking of a number. It is an odd number, a multiple of 5 and between 20 and 40. What could I be thinking of? Is there more than one answer?

There are 20 legs in a heard of zebra. How many animals are there?

Rosie has 5 sweets. Sheena has double the amount. How many does Sheena have?

I save 10p each week. How many weeks does it take before I can by a chocolate bar for 65p

Things to remember... Parents Evening

Comic relief is on Friday.

- Dress up
- Bring a donation
- Make some cakes
- Make a video or some photographs for the Comic cake off.

Thank you!

We are off to the Natural History Museum in London on the 14th May—put the date in the diary!

We are short of 2 parents to do Group Reading. Please let us know if you are able to help—it's about 20 mins each week.....

Spellings

This week we have been revising our sounds and the rules for using them in words eg. ai always in the middle of a word, ay at the end/oi in the middle of a word, oy at the end of a word. Also ed endings, -n– tricky n sound, -m– tricky m sounds, ou and ow.

Round the world..

Choose an African animal and have a go at writing your own story. What happens at the beginning? What exciting, scary or surprising thing happens in the middle? How do you sort it out in the end? Try and include plenty of describing words and some time words. Beware of those sneakyand then...’s! What words can you use instead?

I’m bored box.

Lots of countries in Africa have a tradition of making masks for special celebrations. Can you make a mask of your own. You could make a cheerful or scary mask, or use an animal as your inspiration.
