

Just To Let You Know

Phonics

We are going to continue applying our curly school letters to write cvc words such as dog and hen.

We will also be practising writing key words from our key words books. You may want to try this at home too.

Hazel & Willow

Maths

This week we're going to be learning how to record numbers using a tally chart. Tally charts are great fun and can be done about almost anything! If you'd like to try a traffic survey at home, there is a chart you can print off below this page.

Morning Tea Party with Grandparents

On Thursday 20th March we would like to invite any Reception Grandparents to join us for tea and scones from 10:15-11:15.

We would love to talk to you about what life was like growing up as part of our 'Time Travel LEAP.'

It would be brilliant if Grandparents would like to bring any items or photographs to share with the children and we will provide the tea and scones!

So that we have an idea of numbers, please could you let Ruth know or email her at info@pewleydown.surrey.sch.uk

THANK YOU TO THOSE WHO HAVE SIGNED UP ALREADY

We are aware that some children may have Grandparents that live a long way away. Some of the children had a lovely idea and said perhaps they could phone their Grandparents as a way of finding out information.

Cooking Corner:
Scones for when our Grandparents visit!

Spring has sprung in Reception!

We are hoping to brighten up the garden and would be very grateful for any donations of plants, seeds or daffodils that you may pick up when you're shopping this weekend.

BIG THANK YOU!

Sport Relief- Friday 21st March

This Friday Reception will be cycling/scooting around the front playground to raise money for Sport Relief. If you are able to bring a bike/scooter from home, could you please park it in the Rainbow Room on Friday morning preferably labelled.
