

Below are the children's spellings to be tested next week:

- hare/hair**
- read/reed**
- break/brake**
- aisle/isle**
- ascent/assent**
- compliment/complement**
- past/passed**
- morning/mourning**
- stationary/stationery**
- steel/steal**
- altar/alter**
- affect/effect**
- bridal/bride**

Again, these words have the same sound but different meanings and spellings. Please do encourage your children to learn the words in context according to their meaning rather than as a discrete list. They will be checked randomly as children are becoming too reliant on the order to familiarise themselves with the correct spelling!

Thank you if you have checked your Preston Montford payments. If you have yet to do this please check this week. Total cost of the trip is £325 and ideally, there should have been three payments so far of £75, £50 and £75 to a total of £200 by 3rd March. Thank you!

Just to let you know...

FLUFFY FRIDAY!

It is Fluffy Friday on Friday 28th March. Please remember your fluffy pound! If you have yet to pay your sports relief pound please bring this in asap!

Please remember....

Wintershall is on Tuesday March 25th. If you are available to help please let us know asap.

The Easter Hop is coming up on Monday 31st March. It will start at 6pm and go onto 7:15.

Kind regards,

Mary, Sarah, Cheryl, Clare and Helen

WINTERSHALL

Please keep an eye on the weather .It can get very chilly up there so make sure your children have suitable footwear and a fleece/waterproof if needs be. Children will need to be in school uniform.

In maths this week we have been learning about different types of data handling ranging from line bar graphs, pie charts and pictograms. We have also used resources to help us understand the variety of ways we can sort data focusing specifically Venn diagrams.

Some children have also used the cooking resources in a practical way. The focus has been on converting between different units of measure.

We have updated Mathletics for the children so please encourage them to go on at some point this week.
