

Just To Let You Know

Hazel & Willow

Phonics

We are going to be applying our curly school letters to write cvc words such as cat or pen.

We will also be practising writing key words from our key words books. You may want to try this at home too.

Maths

This week we're going to be focusing on how to write numbers and which way they face. We also be looking at the teens-making sure we recognise them, pronounce them correctly and write the digits the correct way round.

Afternoon Tea with Grandparents

On Thursday 20th March we would like to invite any Reception Grandparents to join us for tea and cake from 10:15-11:15. We would love to talk to you about what life was like growing up as part of our 'Time Travel LEAP'

It would be brilliant if Grandparents would like to bring any items or photographs to share with the children and we will provide the tea and cake!

So that we have an idea of numbers, please could you let Ruth know or email her at info@pewleydown.surrey.sch.uk

Some of you asked about the correct pronunciation of the digraphs or 2 letter sounds the children are learning.

Here is a YouTube clip you may find helpful.

Thank you to all who came for Parents' Evening.

It was lovely to share your children's progress with you. We are very proud of how far they have come this year!

Cooking Corner: Traditional Shortbread. Thank you for your cooking money donations!
