

# Just to Let you Know

# Hazel & Willow

## The Reception Garden

We have been busy digging and planting in the Reception garden this week.. Thank you for all your lovely donations of plants, raspberry canes and bulbs.

Whales know about phonics too! We listened very carefully to the sounds that hump back whales make as they call to one another. We tried to hear the single sounds and some digraphs in their calling! The children were amazing and managed to hear ng, oo, ee, oi, ll, r, and m.

We took lots of reading books to the Wild Place this week and the children had a lovely time sitting in the sun reading and listening to stories.

Many thanks to the parents who came with us.

Next Wednesday we will be at Holy Trinity Church for the Easter service so we won't be going to the Wild Place. Please tell Sarah or Sian if you are able to help us walk down to the church please.

We will leave school at 1.15pm .

Thank you

## Visit to Notcutt's Garden Centre

Hazel-Monday 23rd March

Willow-Tuesday 24th March

The children are very excited about our visit to see the fish and animals at Notcutt's. Thank you to everyone who has returned the permission slip and paid £5 for the coach journey. Please pop this into the office as soon as possible. Many thanks

## New LEAP!

Next week we will be asking the children for their ideas on what they would like to find out about next. We will have a big year group vote and then let you know what the children have decided. We have all loved Underwater LEAP and it is amazing to hear the children talking together with such interest about so many different types of sea creatures.
