

# Just to let you know...

## Literacy

In Literacy this week, we have been recapping the features of diary writing and the children have been writing a diary entry as Howard Carter, discovering Tutankhamun's tomb.

## Maths

The children have been working hard this week reading, interpreting and drawing line graphs. They have been able to analyse the data, drawing conclusions and making sensible predictions.

## Topic

As part of our topic the children had fun 'mummifying' a tomato. They used a mixture of salt and bicarbonate soda (natron) to preserve them and they were weighed before and after.

## Homework

The children have brought home maths work on graphs, data and analysing data. Please could this be completed by Wednesday?

## Spelling:

Measure, treasure, pleasure, enclosure, creature, furniture, nature, adventure, archaeologist, sarcophagus
