

Year Two
Chestnut &
Walnut
JTLYK

Advance warning -
Our visit to The
Natural History
Museum trip will be
on 11th June. We
will be back at
4pm. More details
later.

World Book Day
The children have been given
world book day vouchers and
these can be spent in a book

Parent Consultations

We are looking forward to talking with you about your child on either Tuesday 12th or Thursday 14th. Please ask us if you have not got an appointment time yet. Thank you

Maths

We have been learning the 5 times table this week and the children have been working so hard to use this knowledge to solve simple problems. Next week we will be using coins to make amounts and playing some simple shopping games using money.

Under the Sea

Our adventures have moved under the sea for the next few weeks. The children are finding it fascinating to learn about the animals in this habitat. They have written some great pieces of descriptive writing as well as some exciting stories.

House Art

Children are invited to take part in an Art competition **at home** if they would like to. The theme is 'Think Green' and the 2d pictures can be drawn, painted or collaged on an A4 size of paper please. Please bring back to class teacher before 27th March. (name, class and house on the back please.)

Friday 8th March 2019
