

Topic fun

This week we have been working hard doing lots of reading, writing and maths!

We have been looking at different kinds of dinosaur poems, thinking about the words that rhyme and trying to perform them. We have been sorting and classifying dinosaurs attempting to use the correct vocabulary to ex-

How many different ways can show a half? What could you use or draw?

How many different triangles can you find? What makes them the same and how are they different?

Sort your toys. How did you do it and why? Could you do it differently?

This week

These are the questions we have been thinking about this week. How many of them can you answer? Some of them are about what you think, and some have more specific answers.

What do carnivores, herbivores and omnivores eat?

What does a herbivore or a carnivore look like? What makes them different? What animals can you think of that are herbivores or carnivores?

What would you have if you could keep any animal as a pet? Why would you choose that one? Thabo would have a dog and Rosie would have a goat.....

Dinosaurs

I'm bored box

It never seems to stop raining! Get all dressed up in your outdoor kit and wellies and go outside anyway! Can you find things that float in the really big puddles? Make dinosaur footprints in the mud or make up a dance using your umbrella.... We'll all be singing in the rain. Thabo says you could see who

Things to remember...

Thank you so much to all the people who lent us their animals this week, they did a great job and helped us write some fantastic riddles.

If you haven't returned your NHM letter please do it as soon as possible.

Thank you so much to everyone who has supported us with group reading. It has made a massive difference! We are into dinosaur museum planning from next week, so we will be stopping both group reading and maths with

Nuts and bolts.

Please can you practise capital and little letters. Check you know what all the capital letters look like, and watch out for the ones that creep into your writing by accident!

Remember that names of people

Writing Corner

Think about how a dinosaur would move, what noise he makes and what he does. Collect lots of rhyming words and make a nonsense di-

$$\begin{aligned}
 & ___ + 7 = 12 \\
 & ___ + 6 = 15 \\
 5 + ___ &= 11 \\
 1 \ 3 \ 5 \ ___ \ 9 \ ___ \ 13 \\
 3 \ 6 \ 9 \ ___ \ 15 \ ___ \\
 136 &= 100 + ___ + 6 \\
 40 \div ___ &= ___ \\
 70 + ___ &= 100 = ___ + 40 \\
 5 \ 104 \ 203 \ 302 \ ___ \ ___
 \end{aligned}$$

$$\begin{aligned}
 6 \times 3 &= _____ \\
 4 \times 5 &= _____ \\
 7 \times 2 &= _____
 \end{aligned}$$

Draw a picture to help you with these ...

$$15 \times 5$$

$$14 \times 6$$

Maths Challenge!

There are 28 people in the class. 4 of them are drawing. How many are not drawing?

Peter can make 12 cards from a piece of paper.

He has 6 pieces of paper.

How many cards can he make?

$$4 \times 2 = \begin{array}{|c|c|} \hline \square & \square \\ \hline \square & \square \\ \hline \square & \square \\ \hline \square & \square \\ \hline \end{array} = 8$$

$$3 \times ___ = \begin{array}{|c|c|c|c|c|} \hline \square & \square & \square & \square & \square \\ \hline \square & \square & \square & \square & \square \\ \hline \square & \square & \square & \square & \square \\ \hline \end{array} = ___$$
