

Year 5 Group Room

We finished the week planning the beginning of a story set in a castle. This complimented our learning of different types of castles and why they were built.

Spellings next week will be more suffixes:

sleepless, homeless, painless, speechless, helpless, careless, fearless.

Spelling homework will be to write a sentence for each of these words and children will be tested on Thursday.

Don't forget to read with your child and have a great 'long' weekend.

Lynn and Tina
