REMINDERS

Weekly Tables Test ~ keep up the practice!

Please continue to hear your children read and ask questions on the text.

Please could all children bring in **shoe boxes, ribbon, buttons, off-cuts of carpet, scraps of fabric, cocktail sticks, tiny boxes eg from make-up**, really anything that would help them with their 1940s room, would be fantastic!

Henley Fort Trip dates: 3MG Wednesday 15th May, 3S Thursday 16th May & 3G 17th May. We will meet at Henley Fort at 9:30am.

The children need to wear uniform and BRING THEIR OWN PACKED LUNCH. Collection from school at usual time.

Mathletics Many children are doing well and enjoying Mathletics. If however your child has completed all the tasks set, please encourage them to work on their multiplication tables; there are plenty of 'fun' ways to practise these online.

Weekly Spelling Focus

We are continuing to focus on prefixes and the children have been learning the meaning of many commonly used prefixes. Words to learn for this week:

submarine interface unclean

remake reawaken interact

revisit react

See if your children can tell you what these prefixes mean

Curriculum

The children are enjoying 'How we used to Live', and taking on board all the different roles that people undertook during the war. They have been working really hard recalling all they learnt on the Evacuation Day trip, from the different characters that they met. They are now going on to think about a 'back' story for themselves based as a child during the war..

Art carousel has started well, with bunting making, 1940s houses and portraits.

In maths we are enjoying a whole range of problem solving based around rations and coupons. We are very keen to encourage the children to apply the skills they have in multi-step word problems. They are also looking at time in the context of timetables and lengths of time, again based in a cross curricular context.
