

Just to let you know...

This week we have been exploring life in a Victorian school through Tom Brown's School Days. Pupils worked on writing, editing and improving a descriptive piece based in Rugby school. We have been so impressed by the descriptive and challenging vocabulary they have been using. We have also been learning about Victorian letter writing etiquette. Ask your child about the concerns they have expressed in their letter.

Spellings:
Please continue to encourage your children to practise their spellings for the SATS paper.

Group reading as usual next week, please come and help.

Please continue to support your child reading regularly.

Dear Parents,
Enjoy your bank holiday Monday off next week.
Thank you for all your support during Ofsted, it has been greatly appreciated.
Best wishes,
Clare, Mary, Sarah, Tracey, Claire and Helen

We have been really impressed by the children's spirit of enquiry about the Victorians. They are thriving with the challenge of planning their own learning. They have been creating project maps, identifying key questions they would like their research to answer.
Ask them about their LEAPS project. They may choose to be doing some work at home and you could help by finding good websites/books etc.

Maths

This week Year 6 have got to grips with data handling. Exploring and interrogating data and graphs through information sent back by Victorian missionaries.
Why not ask your child to discuss what they have learnt and where they would like further support?
