Dear Parents,

Many thanks to those of you who have already signed up to help for Bentley Copse. There are still quite a few slots left to be filled on the Bentley Copse sign up sheets, which are displayed in the Year 4 Art area. Please let your child's class teacher know if you are available to help.

Please could you make sure your child's consent and medical forms have been handed in to the Office.

We hope you have a fabulous weekend.
Julia, Mel and Sheila.

Remember it's bank holiday
Monday next week (5th) so
pupils will return to school
on Tuesday (6th)!

In maths this week, Year 4 have been looking at 3D shapes, learning about their properties. Pupils have built nets and designed their own for particular 3D shapes. If you would like to carry out some revision at home, log on to the MyMaths website and click onto Level 4. Then select 'Shape' and from the drop down menu select '2D and 3D shapes'. Finally, select 'Nets of 3D Shapes' or '3D What am I' activities.

Please can you continue to read with your child and remember to send your child with a full PE kit on Monday.

BLUEBELL SKETCHING and POETRY

This week in English and Art we have been immersed in Bluebells! After a fresh walk last week to the Chantries, we have been creating detailed sketches and paintings of the Bluebells. Year 4 have also looked at poetic techniques (similes and metaphors) in our English lessons and incorporated these into their fantastic Bluebell poems.
