

JTLYK RECEPTION

Friday May 26th 2017

Healthy Week

We return to school on Monday 5th June straight into Health Week activities! Don't forget an empty food packet with a bar code for us to investigate. The children should come to school each day wearing their PE kit. If your child's t-shirt gets a little yucky after the first couple of days, please feel free to throw it in the washing machine and let your child come in wearing their normal white school polo shirt with the rest of the PE kit!

Fluffy Friday

The children have had such a great day at their first big Fluffy Friday. Well done to everyone for taking part so enthusiastically!

ICT Questionnaire

Don't forget to return your questionnaires at the beginning of next half term. Thank you!

Dear Parents

We can't believe that we are now about to start our final half term of Reception! This term has been very busy and the children are really growing up and learning lots of new skills!

This week our special visitor, Jo Hughes, came in to talk about visiting hospital and showed us some X-rays, a stethoscope, blood pressure cuffs and lots of surgical hats, masks and bandages. She even set Sheena's arm in a Plaster of Paris cast! Thank you Jo, you are a lovely Doctor!

At the Wild Place this week we made videos of each other talking about things we could see and enjoy doing there. Back at school we read 'The Creation Story' to the children and we talked about all the lovely things we can see and do in God's World.

We hope you have a safe and happy half term holiday with your friends and family. You will find 2 reading books for the holiday just in case you have time.

Reception Team :))
