Maths

This week we have been focusing on multiplying using the grid method. We have also been practising multiplying numbers by 10 and 100 again.

English

The children have started to write their letters home as an evacuee, focusing on feelings, sounds and emotions as they left their homes and got on the train to travel to their new homes. They learned how to create more complex sentences as well as continuing to use adverbs and conjunctions.

We also wrote a character profile for our evacuees, thinking about what their families were like, where they lived and what activities they enjoyed doing.

RE

In RE we have looked at church buildings in detail and labelled different parts of the church. We also designed our own stained glass windows.
