

## Topic fun

We had an amazing trip to St Paul's Cathedral on Tuesday. We were brave and climbed all the way to the top of the dome and looked out over London. We could see the Monument on Pudding Lane, built to commemorate the Great Fire, as well as all the famous London landmarks. We went on a fantastic tour of the Cathedral and enjoyed lying on our backs to look at the beautiful mosaic ceiling. We were really proud of the children who behaved beautifully throughout.

We have been learning lots about churches this week, writing our own prayers, role playing weddings and christenings and considering some tricky questions. We also had a visit from Jane, the curate at Holy Trinity Church. What a busy week!

## Spellings ...

We have been practising 'ee' words—between, queen, breeze, esteem, beetroot

## Maths

There are 26 biscuits in the pack. Rosie eats 7. How many are left?

Sheena has 20 pencils. Year 2 lose 9. How many are left?

There are 50 felt tip pens in the packet. 11 don't have lids. How many still work?

Can you write your own subtraction word problems?

## I'm bored box

Make your own church. Use material or boxes to make the space and decorate it however you like. What will you have in your church? Is it the same as churches you have been to or different? What makes you feel close to God?

## Things to remember

Thank you for all of your help and support with the St Paul's visit. It was a lovely day and we couldn't do it without you!

For the week commencing 26th November, the children will need a shoe box for an art project. Please could you send one in with your child's name on it by Friday 23rd. Thank you.

Christmas is coming! We could really use some help in making costumes. If you have a sewing machine and are willing to help with some simple sewing, please let us know. Mince pies will be provided!

We will be going to the wild place on Tuesday—all offers of help gratefully received.

## Writing corner

Have a look at poems and prayers at home. Does any one in your family have a favourite prayer or poem? Talk to them about why they love it.

Write a prayer of your own. Decorate it really beautifully so that it can go on your bedroom wall or on the fridge door. We would love to see it in school.
