

Just to let you know...

In English, we have been learning about adjectives and adverbs, incorporating them into our writing to make it exciting and interesting to read. Year 4 have also been learning about formal letter writing. Hopefully, you will have received a formal invitation from your child, to our Invaders market on Tuesday 11th December at 2pm.

Christmas Production
"The Demise and Rise of Ebenezer Scrooge"
 Year 4 will be in the shopping scene of our Christmas production this year. Please check the website for details of times and the days which each house is performing. Children have been asked to wear shopping clothes (scarf, hat, jumper, coat etc) if possible, in mainly red and green colours.

In Maths we have been working on multiplication, using both the grid method and long multiplication.

(Have a look at the link below for further explanation of the grid method)

<http://www.mymaths.co.uk/integrate/file.asp?section=number&fileID=1399§ionID=1&topic=multiplication>

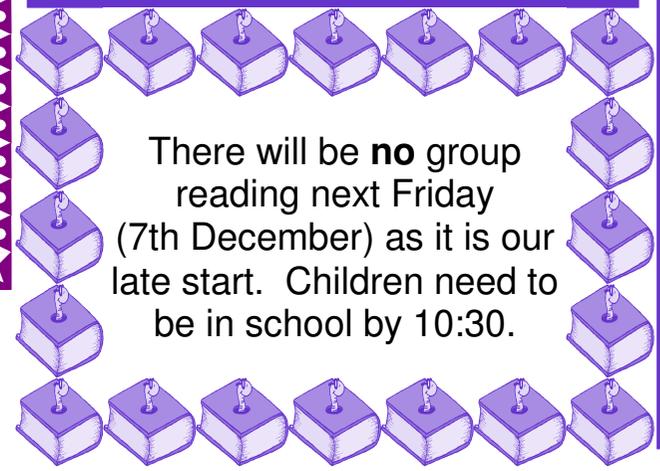

sec-

Many thanks to our Parent helpers who have been supporting and extending some Year 4 children in their maths. This week was the girls' turn to have a go at some very tricky problem solving, whereby they had to arrange a grid of numbers so that each column, row and diagonal would total 30.

SPELLINGS	OF THE WEEK
Christmas	see
child	sea
toys	night
celebrate	knight
thinking	here
giving	hear
sending	where
presents	wear

Have a great weekend!
Best wishes
Mel, Nick and Julia

There will be **no** group reading next Friday (7th December) as it is our late start. Children need to be in school by 10:30.

Last swim for 4M
