

Just to let you know...

Library books changed on Wednesdays. 6ST next week.

Don't Forget...

Adaptation homework is due in at the end of November—try to spread the work load by doing a little bit each week!

Dear Parents
 We have had a fantastic week, the highlight being our cereal day. The children reflected on what they learnt and there were many comments about how well the groups worked together, compromised and listened to each other's ideas. Great team work!
 You should have received information and raffle tickets for the Christmas fair.

See you at the Bonfire!

Best wishes
 Clare, Mary, Tracey, Sarah, and Helen

Please could you sign in your children's diary when they've read three times during the week. Group reading as usual next week.

Our DT project, designing and making both the packaging and product for a rainforest cereal, went really well. The children had to use measuring skills, work out a recipe with percentages and proportion, think about marketing, work to a deadline, create a healthy cereal and finally evaluate the finished article by a thorough taste test!
