Trip to the Toy Museum

We are really looking forward to our trip next week! Oak Class are going on Tuesday and Beech on Wednesday. We will leave school by 9.20 and be back in time for lunch. Please make sure your child has a weather appropriate jacket/coat.

Sound of the Week Books

Thank you for helping your children to complete the tasks this week. Please use the books to record any of the fun tasks so we can see what you have been up to! Books will come home on Thursdays and should be returned every Tuesday.

Dear Parents

We started the week with a lovely carousel of teddy stories. The children enjoyed acting out 'Peace at Last' as we recorded them on our ipads! We have had fun writing teddy stories so that we can practise our super sentence skills.

In maths we have continued to use number lines to help us add and takeaway. We all made our own number lines and wrote numbers to 20 on them. The children have enjoyed using our giant 100 square to spot missing numbers and counting patterns in 2s to 20, 10s to 100.

At home take some chalk outside and make your own number line—can you write all the numbers in the right order? Are your numbers written correctly?

Have a lovely weekend! Sarah and Sheena :))

Parent Consultations

You should have received confirmation of your consultation times today. If you have not please see us urgently.

We are looking forward to meeting and talking with you about your child's work.
