

Challenge Corner!

Can you make an advent calendar in preparation for the 1st December on Monday? Think carefully about how you could make the doors open to reveal pictures!

REMINDER Christmas Play

Your child needs to have brought their costume in and hung it on their peg in a named carrier bag by Monday 30th November. If you are having difficulties finding a costume please let your child's teacher know as soon as possible. Thank you.

This week...

We have been really pleased with the way the children have risen to the challenge of the Christmas Production, and they are all taking it very seriously. If your child has a speaking or acting role in the play, please help them learn their lines and stage directions over the weekend. As soon as the children know their lines off by heart (and their cues) they can take off with their acting and it is wonderful to see!

Phonics / Spellings!

Well done for all the work in the green Phonics books. Please come in and see us if you are unsure about anything.

Maths corner

We have continued our work with multiplication this week, and the children are loving it! They have practised talking about lots of, groups of, times, and multiplying. E.g. 4 lots of 5 is the same as 4 groups of 5 or 4 times 5 and the answer is 20. We have learnt to draw an array which is a drawing to represent multiplication. E.g.

At home, can you draw arrays to multiply two chosen numbers (less than 10) e.g. 2x7, 3x4 etc.
