

**JYLTK RECEPTION  
FRIDAY 25TH NOVEMBER 2016**

**Tuesday Trip into Town!**

Instead of the Wild Place on Tuesday we are walking into town. As it will be the beginning of Advent we are learning about the Christmas story and traditions. We will visit Holy Trinity Church and look at the lovely shop window decorations. We will finish off our walk with a visit to a Travel Agency to find out what happens there, so that we can set up our very own travel shop in the role play area!

We have kind parents already signed up to help our walk, as if we were at the Wild Place. However this time we need more parents to help. Are you free for 2 hours on Tuesday morning? We are leaving at about 9.15 am and will return to school by 11.15 am. Please let us know if you can help. Thank you!

**Junk Modelling**

Please raid your recycling this weekend for anything that the children can make models with. No containers that have previously contained nuts, thank you!!

Dear Parents

The children really enjoyed 'Road Safety Week' and have learned how to cross the road safely on real roads. At the Wild Place we made safe places to cross for our toy people and cars. We made safety posters for the Beep Beep Day competition and practised writing numbers the right way by making our very own speed limit signs!

We also started to learn our songs for the Christmas production. We are playing 'Calypso Kings' and 'Busy Village People'. You should have received a letter home in the last few days detailing the costumes needed. If you have not, please let us know as soon as possible.

Don't forget to let us know if you child would like to play their musical instrument or sing a song in the House Music Assembly next Friday.

Have a lovely weekend

Reception Team :))

**Phonics**

We are taking the time before Christmas to consolidate our phonics practice. There will be no new sounds in the JTLYK but please re visit these for the time being at home. You can also try phase 1 and 2 activities on [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk). Password and username are the same - **pewleyphonicsplay**
