

### Maths

The children were inspired to design their own St Paul's Cathedral using 2 d shapes! They managed this really well and they also wrote the names and properties of each 2 d shape.

The children were fantastic during their visit to St Paul's cathedral and we felt so proud of everyone. Our workshop leaders were impressed by the children's enthusiasm and knowledge.

### English

The children have enjoyed writing about our visit to St Paul's Cathedral in the form of a diary. They amazed us by remembering so many fantastic facts.

### Pom poms

We are hoping to make some brightly coloured woolly pom poms. If there is anyone who could very kindly help us by cutting out some cardboard centres for this we would be very grateful. If you are able to help us please ask Sarah or Lilja for a template. Many thanks!

Besom Boxes  
(Christmas Hampers)  
Please have a look at the information for this in the newsletter.

### JTLYK

Year 2  
Walnut and Chestnut  
29.11.19

Our play rehearsals are going well. Costumes should be brought in on 2nd December please. Thank you for all your support.
