

## Topic fun

We had a brilliant 1666 day and thank you for making such a big effort with your children's costumes.

We have also been finishing off Pudding Lane, including thatched roofs and a rather splendid model of St Paul's cathedral in readiness for our Great Fire of Pewley after half term. We made bread and soup, wrote shop signs, and made nosegays at our Apothecary.

## Spellings ...

'sh' words—share, shape, sharp, shell, shine, clash, wash, flush, crush, smash, shirt, squash, vanish, varnish, punish

## Maths

We are learning to count on in tens using a numberline. Practise saying what is 10 more. Why not go outside in the garden and start with the number 26 and make 2 jumps of ten—what number have you landed on? Practise doing lots of these with Mum or Dad giving you a number to start off with. You could create a number line that goes right across your table. How many jumps of ten can you make before you run out of room?

## I'm bored box

Dig out an old toy that you haven't played with for ages and have a go at making a new game with it. Make a den under your bed or under a table using duvets and blankets. Imagine where you might be and make up a story about it. It's even better if it's dark and you can use a torch.

## Things to remember

You will soon receive the letter about our trip to St Paul's Cathedral on 13th November. Please look out for it and return by half term.

We would like the children to bring in either a Barbie doll type figure or Playmobil figure for role play at the Wild Place on Tuesday. Please NO LEGO (the people are collectable and we don't want any tears or precious lost figures!)

Rosie is collecting plastic milk containers (with lids please) 4 pint/2 ltr is ideal. Thank you!

Our Great fire of Pewley is on Tuesday 6th November at 2.15pm.

## Writing corner

We have been thinking about Samuel Pepys' diary this week and will be learning how to write a diary.

Keep a diary over half term—we would love to hear all about the things that you get up to! Add photos and bring it in to share
