REMINDERS

**'Splash' - 2pm Tuesday 23rd October
Your children will come home with
simple costume suggestions. If you have
any problems regarding clothes for 'Splash'
please contact your class teacher.**

CURRICULUM

**We have had an exciting week finding out about the history of Holy Trinity school and particularly school discipline through the ages ; one child wrote 'I'm glad that we don't have any punishments now !'
They were horrified by the reprimands meted out for misdemeanours such as untidy stitching or spelling mistakes.**

In Maths we have been practising rounding numbers to the nearest 10/100 and making sensible estimates to help us with addition & subtraction calculations.

We have also been weighing & measuring. Can your child estimate the amount of liquid and weight of everyday household goods?

SPELLING FOCUS

**This week we have looked at the short vowel 'u' in the middle of words:-
drum, dust, just, lump, bump,
bunk, plug, scrub, hundred
sunset**

Don't forget to learn your extension words.
