

# Just to let you know...

## Reception

## Hazel & Willow

### Phonics

This week Hazel class is learning the sounds l, f, b.

Willow class is learning g, o, u.  
Please look out for your Phonics books with new sounds inside every Friday.

### Maths

This week we are going to be continuing to practise counting accurately and making sure we don't count objects too fast as well as writing numbers 1-6.

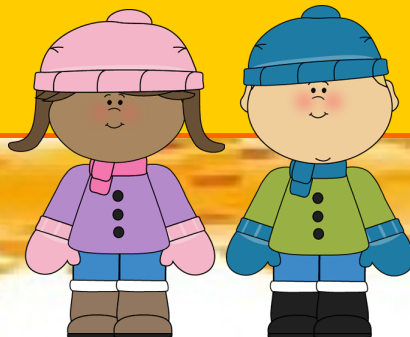

If you would like to, feel free to have a go at writing numbers in your JTLYK book.

### Chilly Weather

With the weather turning colder, please can you make sure your child comes to school with a coat or fleece for playtimes.

It would also be great if you could help your child to be more independent by practising doing up their coat zip or buttons at home.

Many thanks!

### Fluffy Friday

This Friday (18th) children are allowed to come to school in home clothes.

The school will be running various extra curricular activities. In Reception, we will be decorating biscuits, building, making craft and playing games outside.

### Maths Evening

There will be a Pewley maths evening on Tuesday 15th October from 7-8pm.

We will all meet in the hall to start with and then you will be able to visit the classrooms to see the resources in each year group.

If you are unable to attend, we will make sure you get a booklet with details of the maths curriculum.
