

Topic Fun

We loved visiting the Farmers' Market and thank you so much to all our helpers! We have been able to use all that we saw and learned to help us imagine what a market would have been like in Pudding Lane. We watched a gigantic paella being made, tasted some lovely cheeses and fudge. We saw some unusual vegetables and enormous lobsters!

Sound of the Week

Find words with 'ur' sounds in your reading books (burn, nurse, furniture) Can you say them in a sentence about the Farmers' Market?

Friday 4th October

Maths

We have been collecting data and making charts this week. We have been recording numbers as tallies, practising counting in sets of 5 and starting to turn our results into simple bar charts.

Can you do a survey of the people in your family? You could find out their favourite foods or colours. Can you draw a bar chart? You will need a paper, pencil, ruler, plenty of patience and some help!

I'm Bored Box

In 1666 there were no cars, only horses and carts. Find some pictures of real horses. What would it have been like with a street full of them? Can you make a cart out of junk? Paint it so it looks realistic. Can you make wheels that go round?

Things to Remember

1666 Day next Friday!

We would LOVE lots of helpers— please sign up outside Walnut Class.

Don't forget to send your child to school dressed in a simple costume (see attached).

Please remember to use the reading challenges in the JTLYK books and tick when you child has completed some for each reading book.

If you have borrowed swim kit from school please return asap—we are running out.

Library Books— please return each Friday.

costume ideas

Boys

Black trousers tucked into socks, white shirt, some kind of waistcoat and big buckles on shoes or belt.

Poor - brown instead of black, have fun with patches and raggedy bits.... No guns or swords please!

These are ideas and by no means the only way..... Have fun and go with any other ideas you or the children have!

Girls

Dark long dress or skirt, white apron and some kind of bonnet or head scarf. Rich ladies wore much more extravagant colours and lots of jewellery.
