

Just to let you know...

SCIENCEPHOTOLIBRARY

What an exciting start to our week...On Tuesday morning, a 'body' was discovered in the school grounds! The Year 4 'forensic' team was called in and the children were enlisted to help interpret the evidence and solve the mystery.

Pupils learnt about the famous discovery of a body in Lindow Moss Bog in 1984, which was the remains of a man from 2000 years ago. During their investigation, pupils had to consider how the man's body got there and what happened during his last living moments? Why not ask you child to tell you all about their findings?

Dear Parents,

Don't forget that the school is closed on Thursday 17 October.

Have a great weekend,
Kind regards,

Julia, Sheila and Mel.

Fluffy

Next Fluffy is Friday 18th October. Remember your £1! Please note there is also no group reading on this Friday.

Maths

In maths this week we have continued to explore addition strategies and develop our skills, learning to use the method of column addition, to add together big numbers.

785 Have a go at adding together
+ 289 some 4 digit numbers or even decimals!

1074
11

We have also been using logic and reasoning to solve a murder mystery; devising our very own and testing our partners.

For further addition practise, please look at the number section on <http://www.mymaths.co.uk/> specifically addition on columns which is under the heading 'Add Subtract Written'.
