

# Just to let you know...

In maths this week the children have been data handling, in particular graphs and charts. The children have learnt how to interpret line graphs and pie charts. Have a look at

[www.mymaths.co.uk](http://www.mymaths.co.uk)

(username: pewley password: squared), go to: level 5, data, presenting data, reading

Dear parents,  
Another reminder that Gilbert White's house in Selbourne is exhibiting 'The Oates Collection' which focuses on the life of heroic Antarctic explorer Capt. Lawrence Oates, who the children learnt about last week—it would be worth a visit, if you get the chance.  
Please don't forget that Thursday 23rd and Friday 24th are INSET days, and that we break up at lunch time on Wednesday 22nd.

Thank you,  
Mary, Sarah, Bec, and Alison

## HOMEWORK ACTIVITIES

Spellings to learn are:

eight	weight	height
friends	believe	shield
thieves	chief	fiend
achieve		

The children have amazed us with their writing in English this week, carefully recounting the adventure of Scott and Amundsen's race to the South Pole. They've really improved their work through detailed planning and editing and should be very proud of what they've done.

Please could you sign in your child's reading journal when they've read three times in the week.

Books are in on Wednesday.
