

Year One Beech and Oak 3rd October 2014

House Poetry Event

We are really looking forward to hearing the children's poems on the 9th of October. All the children will be learning a whole-class poem to recite to their Houses too!

Dear Parents,

The children have been enjoying exploring our senses this week. We read some senses poetry, explored how we use our sight/hearing/touch/smell /taste. We also did a very exciting science investigation, to predict if we thought that we would like certain foods (celery/lemons/salty crisps/watercress/grapes). We then tasted them ALL (well done children!) and recorded our results to see if we now liked or disliked our tasty treats.

Please look out for the **Wisley Trip Letter (14th October)** as it was sent home this week and let us know if you haven't received one!

Sound of the Week Books should now be at home! Please take your time to do this little extra bit of phonics consolidation with your child. **Books should be returned on Tuesdays.**

Emily and Sheena :)

Maths Focus

This week the children have been learning how to 'take away' and some have started to write this as a number sentences eg. $8-3=5$

At home try a fun activity round the tea table. How many people are sitting at the table? Ask some to leave and count how many are left! Line up all your cuddlies on your bed, count how many. Now move 3 under the bedclothes, how many are left?

Help! We would love to have some little brothers or sisters visit us next Wednesday 8th October at 2.15. If you are able to come please let us know ASAP. Biscuits will be provided!

Reminders

Baby Photos

A quick reminder to send in a baby/toddler photo of your child as soon as possible.

Cooking Money

Thank you for the money sent in so far and it is not too late to send in your £3.

Library Books

Thursday morning is library for the children so please return books so they can bring a new one home.
