

Curriculum News:

English:

We evaluated and analysed Mr Men books and started to research an animal in order to create our own Mr Animal book.

Maths:

We have focussed on identifying multiples of 2, 5 and 10. Pick a number and see if your child can tell you if it is a multiple of 2,5or10 or not.

Topic:

We have been finishing off our moving animal cards this week and testing our mechanisms.

Spellings:

Mammals

Amphibians

Reptiles

Fish

Birds

Sides

Corners

Triangle

Reminders:

Marwell Zoo:

A huge thank you to all the parents who helped out with the Marwell trip. We could not have done it without you! We had a lovely time and managed to escape the worst of the weather in the glass house.

Ask your child what their favourite animal was!

Wackadoo Zoo: Our performance is fast approaching (Tuesday 21st at 2pm in the chapel)! As far as costumes go: If your child has lines they will need to dress like the animal/ character they are playing. Children in the chorus line can choose the animal they wish to dress up as. We like to keep the costumes simple so a pair of leggings/trousers and a t shirt will be perfect!
