

Just to let you know...

Dear Parents,

Thank you so much to all of you who have sent back your consent letters regarding the Science Museum, please keep sending them in.

Remember:

Monday 12th— Individual Photos
Wednesday 14th—Harvest. Please bring in any dried foods or tins for Guildford Action and put them in the Chapel.

Also, if you have any 2 litre plastic bottles that you no longer want, we would appreciate it greatly if you could send them in, so we can use them for our science investigations.

Have a lovely weekend.

Best wishes, Julia, James and Jo.

Science

The children sorted a variety of materials by their properties, then recorded them using a Venn Diagram. After that, they designed their very own Classification Trees to sort the materials into categories.

Spellings

incorrect, incomplete,
impossible, impatient,
irregular, return, reappear,
redecorate, recount,
conductor, insulator

Extension:

irresponsible, inexperience,
illegible

English

Something strange and mysterious has landed in the Holy Trinity woods. Large, brightly coloured ice eggs have been found! The children discovered them on Tuesday morning and have spent the week pondering where they may have come from.

We decided that some of their ideas would make great stories so we have constructed story plans and written our openings; ready to continue them next week! We have been using fronted adverbials to make our writing more interesting, why not ask your child to tell you about their story.

Maths

In Maths this week we have been learning how to measure and calculate perimeter.

Look for opportunities to discuss with your child, the real life situations where perimeter is used.

Homework Challenge:

For homework this week the children have been asked to measure 2D items around their home and work out the perimeter. Encourage your child to have a go at the extension question too!

Thank you.

Wednesday 14th October—Charity Fundraiser!

Year 4 have voted to run a loom band and cake sale to raise money for Guildford Action. The children will be running the sale at lunchtime and straight after school until 3:45pm. Please send your child in with some change to contribute to this great cause!
