

Just To Let You Know...

Willow & Hazel

Thank you so much for bringing in your recycling- do continue. The children love junk modelling!

Julia, Mrs Katmeh and Sue were really impressed with how well the children got changed into their PE kits for the first time. Well done Reception and thank you parents for your support!

Phonics

Hazel will be learning L, b and f.
Willow will be learning g, o and u.

Do have a look at the sounds in the back of the JTLYK books with your children.

Can they show you the action or sing you the song linked with the sound?

They love playing i-spy and looking for the letters in their reading books too.

The children had a lovely time at the Wild Place this week. It is muddy this time of year so please pop a pair of named wellies on your child's peg if you can.

We've been so pleased with how well your children have been coming in in the mornings and settling quickly. Thank you for your help with this. They really enjoy changing their books and getting stuck into their early morning activities.

Harvest

We will be talking to the children about where our food comes from and the importance of sharing with others.

In our cooking session we are going to make bread rolls to share with the other class.

On Wednesday 14th at 9am there will be a short Harvest assembly.

The school will be collecting food items to give to a Guildford food bank.

See more details in the school newsletter.
