

# Year One Beech and Oak 2016

## Wisley Visit

Thank you to your children who were superstars on this visit!

We had a very interesting time exploring Wisley, collecting Autumn leaves, making a crown and planting a maple or oak tree.

We visited the vegetable garden and were amazed to see giant beetroot, cabbages and much more growing so well!

## Thank you!

Thank you so much for all your brilliant support this half term. Your children really have been superheroes! Everyone has made a great start to Year 1 and worked so hard. We hope that you have a lovely half term and we will look forward to seeing everyone again after half term. Half Term begins on Wednesday 19th October at 12.00. We will give your child two reading books to take home to enjoy for half term. Thank you for reading so regularly with your child. It really does make a huge difference.

## Wild Place

On 18th October we won't be going to The Wild Place because we are busy assessing the children's Maths and Phonics.

Thank you for all your help with our visits.

## House Netball

Everyone took part so well in a house netball competition. The children worked in their teams really well taking part in 4 different activities. Each house scored an equal number of points.

## Our next topic!

When we come back from half term our new topic is all about 'Toys'. As an exciting way to begin the topic we would love to invite the children to bring in a cuddly toy or a teddy bear on Monday 31st just for the day.

We have a visit to Guildford Toy Museum to look forward to as well.— Oak Class on 7th November and Beech Class on 11th November. (Letters for this trip will be given to the children before half term.)  
Maths — After half term we will be learning about 2D and 3 D shape.
